December 2021

## CHURCH-WIDE BUSINESS MEETING

On December 12th, immediately after our worship service, we will hold our most vital church-wide meeting of the year. By now you have received by email or by US mail a copy of the following:

- Proposed budget for 2022
- Proposed leadership slate for 2022
- Proposed Covenant

Please take your time over the next two weeks to look carefully at these proposals, which come to you as a result of many hours of work from your Finance Team, your Facilities Team and your Congregational Council.

You can feel free to ask questions over the next couple of weeks for clarification. Then, plan to come to the business meeting, which you can do in person (we will be in the McNeely Room) or by Zoom at this link:

<https://us02web.zoom.us/j/89629172140>  
Meeting ID: 896 2917 2140

Or you can call in from any phone at:  
+1 646 558 8656 US

and enter the meeting ID number.

Your leadership teams have put together some very exciting plans for 2022, including money for children and youth programs, money for needed repairs and improvements to our facility and plans to continue moving forward in our efforts to create inclusive, welcoming and safe community. If you are not on leadership, your task involves showing up for the meeting and bringing your support and ideas with you. We look forward to seeing you with us for our Business Meeting on December 12th!
